

A walk through time Around Craig y Don 1 July 2024

The church walking group will meet again at 10am, on Monday, 1st July at St David's Methodist Church. The walk starts at St David's and ends at St Paul's church for tea and biscuits and a brief talk about the church by Philip Evans from the Llandudno Museum. Philip will be ably assisted by Graham Morgan who also has connections with the Llandudno museum. It will be a walking trip through time! We will be exploring the history of Craig Y Don, how things change and how some things stay the same. A chance to learn or a chance to share your memories. Graham Morgan, Maria Carter.
