EASTER 4

## Saturday 9<sup>th</sup> May

### Who, Where, What?

Come and join us for a special day of discovery, conversation and worship with our Mission Area Family.

We live in a time of real change for the church, but we are not meant to face these things alone. This day will provide a safe and generous space to reflect on our shared life and our shared future.

This is your chance to contribute to the growth and development of the Mission Area as the church family in this place.

*Read the magazine article, see the poster and flyers, talk to your clergy for more details. The day will be at Noddfa, Penamaenmawr, and lifts can be arranged.*

### Please also pray

For the church's presence alongside local councils and agencies in ministering to families struggling or food and facing financial hardship, that we may demonstrate practical support and compassionate advocacy. Particularly we pray for our MA Care & Share project, and that more volunteers may come forward to help with this invaluable service.
