### Please also pray -

In this Christian Aid week, pray for those whose voices are not being heard. Pray God’s blessing on those who are battling hunger and hardship. May our eyes be opened to the challenges our global neighbours face each day. May we be shown how to reflect God’s love and goodness in our lives; may we grow justice and compassion, in our community and around the world, so that every person may be free to live and grow as God intended.
